

THE Malmo

LOUNGE COLLECTION

The Weave

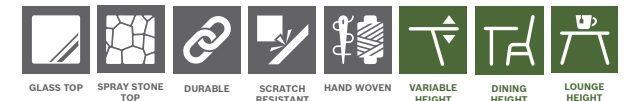

The Malmo weave is a flat profile modelled on a double row of natural palm fronds.

THE COLLECTION

Our best selling and most versatile outdoor weave collection includes lounge and dining sets as well as cushion storage and sun loungers to match. There's the option of stackable or reclining chairs and all Malmo tables have toughened clear glass tops. All supplied with generously upholstered cushions with soft touch washable cushion covers.
